HONOR ROLL OF DONORS

Maxwell Quinones
Class of 2018

Attending Holy Innocents for the past eight years has been a blessing. The teachers and faculty have inspired me to become a better person. I have been blessed with the opportunity to be named a St. John Vianney Scholar, and receive a 4-year scholarship to attend Roman. Though it is sad to leave, I know the future will be filled with happiness.

Proceeds from last year's *Annual Appeal* were used to:

- Help cover School Gym/Hall renovation costs including: new floor, roof, lighting, painting
- Provide Tuition Assistance to over 80 families through our Make a Difference Program
- Purchase new computers and monitors for the computer lab
- Upgrade internet speed and service throughout the school
- Convert lighting in classrooms to LED

They have built relationships with their classmates that will last a life time, and have a circle of friends they consider their second family. The quality of education at Holy Innocents is outstanding and the focus on teaching students to have a strong faith and high morals is remarkable.

Vanessa Montero

Mother of Antonio (grade 7), and Aunt of Carissa '13, Jayden '18, and Nia (grade 7)

An Educational Impact

Holy Innocents has been such a blessing to our family. We are so grateful that we have a great and safe school at walking distance from our home. We highly appreciate the small community because our sons receive an abundance of attention, love and care in and out of the classroom which I believe impacts how much they learn. I also absolutely adore how handsome and studious they look when wearing their uniforms! I'm glad we have the access, opportunity and financial support to send our kids to receive a quality Catholic school education. We believe that together, we are laying a solid foundation in their spiritual, emotional, and physical growth that will lead them to become positive influences in our world.
